

# The planned consolidation of the shares of Polimex-Mostostal being implemented

06/18/2015

**The shareholders, at the General Meeting, authorized the Management Board of Polimex-Mostostal to conduct consolidation of the company's shares. Marek Szczepański was appointed to the Supervisory Board.**

The shareholders of Polimex-Mostostal adopted resolutions allowing consolidation of the company's shares, among others: on the redemption of own shares, the conversion of registered shares into bearer shares, on the statute amendment.

The shareholders decided that the consolidation of shares is done by a proportional reduction in the total number of the A series shares of PxM from 4,330,940,100 (in words: four billion three million hundred forty thousand one hundred) to 86,618,802 (in words: eighty-six million six hundred eighteen thousand eight hundred and two) by consolidating every 50 shares of a nominal value of 0.04 PLN into one share of the company of a new nominal value of 2 PLN, so that the exchange ratio was set as 50:1.

- We are approaching the realization of one of our priorities, Polimex-Mostostal's return to continuous trading. The next step in the plan to consolidate the shares is submitting applications to the National Court Registry for the registration of amendments to the statute of association in connection with the redemption of own shares and reduction of capital, conversion of the registered A-series shares into bearer ordinary shares and consolidation of shares - Joanna Makowiecka-Gaca clarifies, the acting President of the Management Board of Polimex-Mostostal. - Consolidation of shares will be conducted in July, after the announcement of the new Group strategy.
