Bid made by Polimex-Mostostal, worth over PLN 30 million, has been selected as the most advantageous one.

03/05/2012

Today, i.e. on 5 March 2012, the Management Board of Polimex-Mostostal received from the Ordering Party, i.e. Zarząd Dróg Wojewódzkich in Cracow, information on the selection of the bid made by the Company as the most advantageous one.

The subject matter of the bid is the execution of the Ring road of Gdów – STAGE I within the course of voivodeship road no. 967 in the Małopolskie Voivodeship, poviat of Wieliczka, gmina of Gdów.

Bid gross value: PLN 29,683,603.53 (twenty-nine million, six hundred and eighty-three thousand, six hundred and three point five three zlotys).

Bid assessment criteria:

price (95%),
investment execution periods (execution period reduction) (5%).

Execution time: 15 months of the contract signing date.

The scope of the bid covers execution of a single-carriageway, double-lane plus roadsides ring road of Gdów of the length of 1,250 metres, two engineering structures, and reconstruction of the existing technical infrastructure.

The signature of the contract will take place following fulfilment of the conditions provided for in the Public Procurement Law.
